Product Registration

Please register your product to receive free software upgrades and preferred warranty service.

Free single SMART Ideas software license

A valid serial number from a SMART Board, Rear Projection SMART Board or SMART Board for Flat-Panel Displays interactive whiteboard, or a Symposium interactive pen display, is required to receive your free, single license of SMART Ideas concept-mapping software. Upon submitting your registration, a serial number for each interactive whiteboard or interactive pen display purchased will be e-mailed to you.

Product Information

Serial Number Click [here](#) for help finding your serial number.

Serial Number	Product Description	Quantity
	SMART Board 540	1

3. Enter your personal information. Be sure to use a valid e-mail address.
